Additional Information

Anything else you would like the practitioner to know?

I understand that naturopathic care is intended to support overall health and wellness through natural and evidence-informed therapies. The practitioner has explained the nature of the proposed assessment and treatment, including potential benefits, risks, and alternatives, to the best of their knowledge.

I acknowledge and understand that:

- Naturopathic treatment may include dietary and lifestyle counseling, nutritional supplementation, herbal medicine, physical therapies, and other therapies within the practitioner's scope of practice.
- No guarantees or promises have been made regarding the outcome of treatment.
- I have had the opportunity to ask questions and receive satisfactory answers.
- I may refuse or discontinue treatment at any time.
- Open communication between the practitioner and patient is important for safe and effective care.

By signing below, both parties confirm their mutual understanding of the proposed naturopathic care and consent to proceed with treatment.
